

January Newsletter

American Corner Skopje

Dear Members,

The January issue of our newsletter is dedicated to all that which is new at our American Corner. You can read about our new books, new Magazines and new practices.

But the most significant thing for us this month is our 3rd Anniversary!!!

The American Corner Skopje officially opened in **January 2005**. It is a partnership between the **Public Affairs Office of the U.S. Embassy in Skopje**, the **Skopje City Library "Braka Miladinovci"** and the **Ministry of Culture of the Republic of Macedonia**.

In the past three years, we have had over **300 hundred events** such as lectures, film/DVD showings, workshops, discussions, conversation hours, exhibits, promotions, trainings, and many more. In the field of education, we have provided **student advising for studying in U.S.** and served as an alumni center where Macedonian citizens who have been to the United States on exchange programs can gather and keep in touch with each other and with their American contacts.

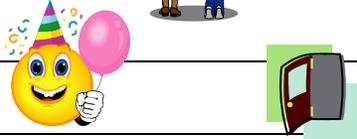

We would like to thank all of our members for being with us in the past three years and for helping us reach the number of 3000 members!

Thank You

American Corner Skopje
