## **President`s Day Quiz**

February, 16<sup>th</sup>, 2008

In honor of President`s Day, American Corner on Saturday, February 16<sup>th</sup>, prepared a quiz with facts about different US Presidents. 17 participants took this quiz. They used the internet and the literature of the Corner in order to find and learn the facts. They had about one hour to finish the quiz and to answer 10 questions that the American Corner staff had prepared for them. After that, the participants put the quizzes together and we checked up the correct answers. To the person with best answers was given a book and other publications.
