## **Q and A Session with Dan and Jillian Kearney,** **the Peace Corps Volunteers who helped Ljubica Ristovska get a full** **scholarship from Wellesley**

**November 6<sup>th</sup>, 2009**

Ljubica Ristovska is going to be a Wellesley 2013 Graduate thanks to the Peace Corps Volunteers Dan and Jillian Kearney who provided assistance for her all throughout the application process. Dan and Jillian who will be leaving in a week came to the American Corner Skopje for the last time to take part in the Q and A session. The advisor, Gordana Mircic gave them guidelines about what the attendees would mostly be interested in and they prepared handouts on the criteria Ljubica used to narrow down her list of colleges, the recommendations she obtained from her teachers, her college essay, the International Supplement, the financial documents she submitted when applying for financial aid etc. This was a great opportunity for everyone present to ask Dan and Jillian as well as Gordana anything they might have needed some clarification with. The American Corner Skopje would like to thank Dan and Jillian for all of their help and for donating test prep books to the Corner.
