### **American Councils for Education Exchange Programs with Velika Angelkova, HUB Coordinator and Milena Ristovska, JFDP Alumni**

November 17<sup>th</sup>, 2009

The two exchange programs of the American Council: JFDP and YES exchange program were presented to the 12 attendees present. After having explained in detail what the selection process for these 2 programs is like and what happens after the finalists arrive to the US Velika Angelkova invited the JFDP alumni, Milena Ristovska to share her experiences with the audience. Ms. Ristovska emphasized how much she has benefited from this 6-month program and how enriched her classes are now as a result of it. As there were Teaching Assistants and a College Counselor in the audience the questions that followed ranged from the host families and the kind of schools that participate in the YES program to the network support JFDP finalists get during their stay in the US and once they become alumni too.
