Business English Workshop

September 21st and 23^r 2009

With

Sarah Fazekas, PCV, Samuel Benshoof, Fulbright student
*, and **Biljana Kuzmanovska, AC Staff Member***

How to write a CV, how to prepare for a job interview, how to write formal and informal emails and letters, what's the challenge in writing a motivation and a cover letter and how to do that well, all this was part of the two-day Business English workshop that was organized at American Corner Bitola on September 21st and 23rd. The presenters, Sarah Fazekas, a Peace Corps Volunteer and Samuel Benshoof, a Fulbright student from the US that currently teaches at the Faculty of Pedagogy in Bitola, together with the AC Staff member Kuzmanovska Biljana effectively managed to transfer their knowledge and expertise through informative Power Point presentation, many useful Business English websites and handouts which created a very interactive environment amongst the 15 participants (members of the NGO sector, lawyers, graduates, students). Plans for future advanced level of this workshop are on the way due to the great interest by our members.
