## English Conversation Hour February 5<sup>th</sup>, 2008

The first session of English Conversation Hour in February was attended by 15 people and it was run by **Patrice Koerper**, Peace Corps volunteer. The members enriched their English vocabulary discussing dreams and giving answers to questions prepared in advance for them by Patrice on this topic – how they can be interpreted, what they symbolize, talking and walking in the dreams, dreaming and reality... That showed to be effective way to get people talking and using the English language to express their thoughts much easier.
