Open House Day in observance of Christmas

December 21, 2007

In observance of Christmas, the American Corner Skopje organized an Open House Day. The Corner was decorated accordingly to the occasion: a big Christmas tree, decorations and ornaments with Christmas carols contributing to the atmosphere. Each visitor took part in a raffle and was recommended a book for the holidays. The themed Children's Story Hour with PCV Emily Audette was a presentation on how Americans celebrate Christmas after which the children started writing their own Letters to Santa. Before leaving, each child present received a chocolate Santa Claus and a small American flag. At 19:30, the prizes for the 20 lucky winners of the raffle were drawn.

With the Open House Day, each visitor of the American Corner Skopje got a chance to feel how the biggest holiday is celebrated in the United States.
